A Look Into The Fees And Budget: Meet registration is estimated at $130. per meet (athlete registration + team fee), some cost more/less. Home meets are $90. + $50. Coaches' fees. No coaches travel fees. We budget coaches' expenses, per athlete per meet in each category; coaches' wages $50. and coaches' travel $75. In the event that we are over/under budget in meet registration, the difference will be owed/credited to each athlete. Coaches' fees are NON REFUNDABLE! In the case that coaches' wages or travel expenses are over budget, the difference will be made up from fundraised funds. Athletes desiring to attend extra camps and clinics requiring a coaches' participation will need to fill out a "Request for Funds Form". If there are funds available, Boosters will determine what portion the Boosters can assist with. Coaches are not permitted to volunteer their time in such events.
