Dear Parents.

Please be patient. Coaches would like to hold off (until April 22nd.), on announcing summer practice groups until the last "State Meet" is completed. Your child's summer practice level has been determined based on the skills they need to improve on this summer. Levels for 24/25 season will be determined Aug. 1st. based on their skill level at that time. For summer practices, some athletes will need to level up to attempt harder skills and some will need to remain in their current level or reposition to better master a stronger foundation. New levels we plan to implement for our 2024-25 season are Levels 4 and Platinum. Your child's summer practice group/day/time will be sent to you alone in an email.

Please register online at www.lakettesgymnastics.com no later than May 22nd. This helps assigning coaches schedules. There will be a late registration fee of \$25. If you register after June 1st.
